

Peace? on earth !

this Christmas at The English Church, Benidorm

So much trouble in the world right now. It's a troubled Christmas for many. So, what's going on?

In The English Church, Benidorm this Christmas we have a variety of activities to look at this topic Peace on Earth? The question mark is important. Jesus called himself the Prince of Peace. So where is His peace to be found? Why so much conflict? Can we personally know any peace of mind and heart?

In our services we shall look at the Bible 'God's Book' for the answers and enjoy some great times together.

We would love to welcome you to The English Church this Christmas – Full details of all our meetings and events can be found overleaf.
